---------------------------	-----------------------------

<b>No duty to provide benefit exists for:</b>	
a)	Any illnesses and their consequences, consequences of accidents and events of death which are caused by active participation in acts of war and disturbances or by professional participation in competitions arranged by associations and clubs and preparation for such competitions or which are recognised as national service injuries and are not expressly included in the insurance cover;
b)	deliberately self-inflicted illnesses and accidents including their consequences as well as for withdrawal measures including withdrawal treatments;
c)	treatment by doctors, dentists and in hospitals whose invoices the insurer has excluded from reimbursement for significant reasons if the insured event occurs after the policyholder has been notified of the benefit exclusion. If an insured event is pending at the time of the notification, there shall be no duty to provide benefit for any expenses incurred after the expiry of three months following such notification;
d)	spa and sanatorium treatment and rehabilitation treatment provided by statutory rehabilitation providers if the tariff does not provide otherwise;
e)	treatments at a spa or health resort. The restriction does not apply if treatment becomes necessary during a temporary stay due to an illness which is not related to the purpose of the stay or due to an accident which occurred there. The duty to provide benefit exists as long as departure is impossible according to medical opinion. The restriction also does not apply if the treatment takes place at the spa or health resort or in its immediate proximity due to the policyholder's place of residence;
f)	treatment and the provision of other services by the insured person's spouse or life partner, parents or children. Proven material costs shall be reimbursed according to the tariff;
g)	accommodation necessitated by the need for long term or short term care.
